BELOVED AMISH NOVELLAS RE-RELEASED AS FULL-LENGTH NOVELS *Lancaster Brides Series Re-introduced in Their Third Format*

(NASHVILLE, TN) When Wanda E. Brunstetter penned her first Amish story, she never suspected one day she would sell over a million books about the Amish. Neither could she have predicted her Lancaster Brides Series would be introduced in three different formats. They were first novellas, then a compilation, and now Barbour Publishing is pleased to re-release the extended versions with recipes.

Mrs. Brunstetter is a nationally recognized expert on the Amish community. Her books have received various honors including the 2006 Retailers Choice Award and Christian Book Distributor's Book of the Week, as well as topping the charts of the Christian Booksellers Association and CDA.

The full series releases nationwide February 2007.

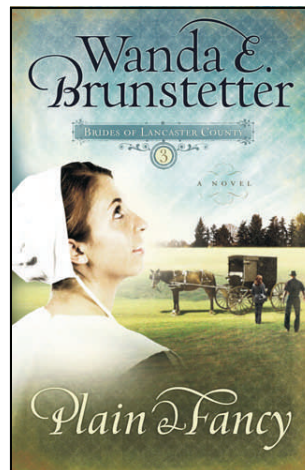

AUTHOR IS AVAILABLE FOR INTERVIEW.
